

TICKET TO UNDERSTANDING: IMMERSED IN THE CULTURE OF TAIWAN

2018 CULTURAL IMMERSION PROGRAM

PROVIDENCE UNIVERSITY -SAINT GABRIEL SENIOR HIGH SCHOOL

Due to the development of new national southbound policy, the annual winter university starts again. This time we invited students and teacher from SAINT GABRIEL senior high school. As a cultural communication and teaching projects, the team spent seven days in Taiwan from March 17, 2018, to March 23, 2018. The purpose is to allow students experience the culture of Taiwan, increase students' knowledge and promote cultural exchanges.

Providence University has designed many different types of courses, from static to dynamic. At the first day, We had the activity game to let the students understand more about the campus.

During the culture program, students learned how to use the software to edit video. The most popular course is the operation of the Drones. They learned the important of teamwork, interact with each other in the Drones course.

In spare time, students are encouraged to experience the beauty of Taichung city, enjoyed the delicious food in Taiwan and shopping.

They loved the night market in Taiwan. The student assistants led them to the night market at the first time and then they tried to get there by themselves. They experience the convenience of transportation in Taichung. Using a daytime to explore Taiwan temple, experience the food from countries to alleys. They also experience the architectural art of Minnan type. The students can shuttle on the antique journey.

At the end of the day, each student prepare 1 to 3 minutes for the final presentation. Some students used the photos taken by themselves to make a video. Most of the students mentioned that the weather in Taiwan is really comfortable. They also enjoyed the food in Taiwan. Their teacher felt dumbfounding under the stage. After the presentation, the student assistants prepared snacks to let everyone enjoy at the last day.

The students begin to learn more about Taiwan and culture at the end of the journey. Immersion programs help students to experience Taiwan more than normal travel. In addition, they can practice what they learned in class through the local people.
