

Humanitarian Affairs, United Kingdom would like to invite Outstanding Student Leaders from the Providence University to attend the 2nd University Scholars Leadership in Pattaya, Thailand from August 1 to 7, 2011.

We seek to nurture next generation leaders to become world-class citizens with global vision and understanding of human needs. The Symposium allows young leaders the opportunity to understand more about the global humanitarian need, to learn how to organize a humanitarian relief and be challenged in their worldview. The theme for this year will be on humanitarian services and disaster management.

The United Nations Department of Economic and Social Affairs has issued a statement pertaining to the 2nd University Scholars Leadership Symposium 2011. Please access the statement at :
